GOOD TROUBLE

"Do not get lost in a sea of despair. Be hopeful, be optimistic. Our struggle is not the struggle of a day, a week, a month, or a year, it is the struggle of a lifetime. Never, ever be afraid to make some noise and get in good trouble, necessary trouble." –John Lewis, June 2018

We are reminded of the power of photographs to propel action and inspire change. This exhibition presents a selection of photographs that register the power of individuals to inspire movements and illustrate the power of protest from a deeply human perspective.
